Max L'attore francese Alain Delon dice, parlando del matrimonio: "Ogni uomo ha bisogno di cinque mogli: una diva del cinema, una governatore, una cuoca, una asceltatrice e una infermiera premurosa. Ma dato che ogni donna ha bisogno di cinque mariti - un compagno intelligente e colto, un atleta provetto, un mago della finanza, un poeta e un uomo capace di riparare un rubinetto - faremmo bene a essere tolleranti fin da principio".

Each minute must be guarded,
Made worth the while somehow.
There is no other moment,
It always is just now.
Just now is the hour that's golden,
The moment to defend.
Just now has no beginning,
Just now can never end.

French actor Alain Delon, talking of marriage, says: "Every man needs five wives: a movie star, a housekeeper, a cook, a listener and a caring nurse.

Yet, since every woman needs five husbands – a clever and learnt partner, an expert athlete, an economic wizard, a poet, and a man who can fix a tap – we'd rather be tolerant from the very beginning."
