

A photograph of a study or office. In the foreground, a large, dark wooden desk is partially visible, with a red upholstered chair tucked under it. On the desk, there are several items: a small framed picture, a pen holder, and some papers. In the background, a window with white shutters looks out onto a town with a red-tiled roof and a church spire. To the left, a framed portrait of an elderly woman hangs on the wall. A circular text overlay is centered in the image.

is a special wisdom”
