## TABLE OF CONTENTS

Dear readers,

I have spent twenty years with you in the role of Editor-in-Chief of the magazine and the time has now come for me to pass the baton.

I sincerely thank all of you readers, members, writers, all the collaborators over time, the Scientific Committee, the Board of Directors, Laura Ferrea for the site, Giorgio Vanetti my graphic advisor, the Tipografia Comunicarte and particular gratitude to my editorial team, always so available and patient.

The profound sharing between all of us has made the dynamism and vitality of the magazine possible.

On a personal level, this commitment has allowed me to mature psychologically and emotionally, acquiring greater awareness, growth at profound levels and the ability to face changes.

I would like to express my gratitude to the translators of the texts Greta Bianchi, Achille Cattaneo, Alberto Gabba, Damiano Pagani, Silvia Trolli and to the person responsible for the English texts, Gordon Leonard Symons.

Happy reading and a good future to those who will be with you in the coming years.

Patrizia Bonacina
