

The Group Alle Fonti invites you to

AN INSPIRATIONAL LABORATORY AT THE WELLSPRING OF PSYCHOSYNTHESIS

FOURTH INTERNATIONAL MEETING AT CASA ASSAGIOLI

FLORENCE, 18 - 21 SEPTEMBER 2014

This 4-day meeting offers participants a unique opportunity, to be inspired and nourished by the spirit and soulful energy of Roberto Assagioli, the founder of Psychosynthesis, directly in his home: Casa Assagioli, steeped in the history of his extraordinary approach, where he lived and worked, and where he met collaborators, students and people from all over the world.

Casa Assagioli is now home to the Istituto di Psicosintesi and also houses the Assagioli Archives and Library, which materials will be available to participants for consultation and study.

Meeting other members of the international psychosynthesis community and exploring together the fascinating and precious notes, articles and books, creates a strong group encounter. This co-creative process will inspire and empower participants with ideas and visions and may evoke further development and collaboration.

Participants will be able to:

- discover more about Roberto Assagioli's life, the sources of his inspiration, the unfolding of his ideas, his spiritual background, and his intentions for the future;
- learn more about the unique structure of the Italian Istituto di Psicosintesi as Assagioli had envisioned and created;
- explore and study in the archives and the library, have access to Assagioli's writings (many of them handwritten), drafts of his books, articles and presentations;
- reflect and meditate together, as well as individually, in the garden and in his study;
- share and discuss ideas, impressions and theory, with other participants, allowing insights, ideas and visions that have been "seeded", to flower.
